

the no-judgment bestie for your love life

Become a Founding Creator

I'd love you as one of the very first creators to bring Bestea to your girls. Here is everything in one place. 💖

what you get

20% recurring

On every paid subscriber from your link, every single month they stay. Not a one-time payout.

free bonus reads for your followers

Your code is a little gift to them, not just a sell.

founding-creator spotlight

A repost to the whole Bestea audience plus a featured spot when you post.

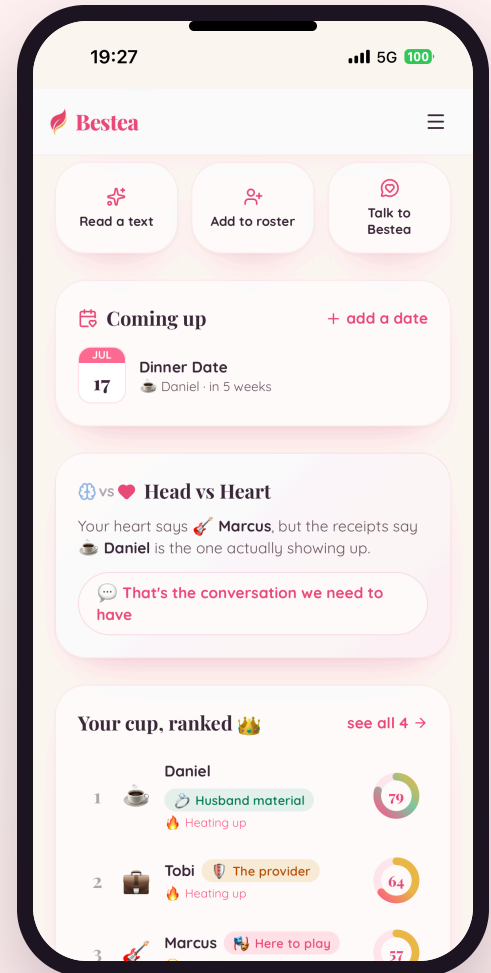

a content starter kit

Hooks, captions, and video ideas. Film it your own way, your followers want the real you.

paid monthly, zero paperwork

Payments and tax forms are handled for you.

this is the app your girls get: **decode his texts, see who is actually showing up.**

how it works

1

reply "I'm in"

to the email and you are officially a founding creator.

2

grab your link

a 2-minute signup gives you your link and your creatives.

3

post one thing

share it this week and I repost you to our audience.

Reply "I'm in" and you're a founding creator 💖
